

Global Moderate Income & Capital Appreciation Program

Seeks to reduce volatility while targeting a long-term rate of return that exceeds the rate of inflation. Targets an asset mix of 40%-50% fixed income securities and 50%- 60% equity type securities.

At Richard C. Young & Co., Ltd., we are committed to helping our clients achieve long-term investment success with confidence. We are not traders or speculators and do not offer leverage for active trading. Our primary focus is to invest in securities that pay interest and dividends.
